We are Ravens Helping Ravens

A group of proud Ravens believed that Rio Grande High School's 50th anniversary was an event to celebrate in

grand style. Hence in the summer of 2008, a planning committee was organized by our founding members. Rio Grande High School celebrated its "50th Golden Anniversary" on June 13, 2009 at Isleta Casino and Resort. The celebration was attended and enjoyed by nearly 1,000 Ravens, from the class of 1959 to the current 2009 students that participated in the entertainment.

Following the memorable event, several of the planning committee members decided to continue to celebrate the deep rooted pride of Rio Grande by forming the RGHS Alumni Association. Proceeds from the event were directed to the creation and installation

A PROUD SOUTH VALLEY TRADITION

of our beautiful "History Wall" located in the Student Commons Building of Rio Grande High School dedicated on August 29, 2011. The 8ft X 24ft structure houses historical memorabilia starting with the original deed and plans to build Rio Grande High School at 2300 Arenal Road SW in Albuquerque, New Mexico to a miniature replica of the original Raven that stood center stage of our beloved campus for years. The wall depicts the rich history of RGHS, a feature for all Ravens... past, present and future to appreciate.

Message from the Chair

by Rachael Lucero-Maldonado

Once a Raven always a Raven. I graduated 33 years ago and feel nothing but pride every time I meet a fellow Raven and I know many of us feel the same. That is the reason that I joined the RGHS Alumni Association, RGHSAA, and invite you to consider joining us. It is a way to show Raven pride by reaching out to past, present and future Ravens. We work closely with Rio Grande High School's principal to

not only support but also to include current students to participate in events and activities sponsored by RGHSAA. We are also involved with the South Valley business community to help promote and network as they support our ventures as well. We have connected to many of you through social media such as Facebook with over 4,000 friends and our Raven Nation website with over 45,000 hits and counting.

Fifty Years and Counting

The need for a high school west of the Rio Grande River made way for RGHS, Home of the Ravens, to open its doors on September 2, 1958. The school was built at the cost of \$9.80 per square foot. The original 74,380 square foot school included three classrooms together with science labs, a library, a music room and a wood shop. Rio Grande's first principal was Mr. A. B. Chavez (known as "Father Raven").

Our school mascot and colors were voted on by the students from Ernie Pyle and John Adams Junior High Schools, before they were Ravens. The school newspaper name "La Corriente" means life, progress and energy: "The Steam of Life". Rio's yearbook name, "Po Ye Da" means "Friend" given by

"... THEY WILL LEAVE KNOWING THE MANY TRADITIONS SET BY THEM WILL LONG BE CHERISHED AND UPHELD BY OTHERS TO COME."...

student, Margaret Jojola from Isleta Pueblo. As a famous RGHS landmark, a Senior Tower was built in the center of the patio made of red brick. The tower had a bench surrounding the bottom and proudly featured the letters "RGHS" made of metal at the top. As a gift from the senior class of 1960, the letters at the top of the tower were replaced with a raven sculpture designed by Mr. Herb Goldman.

June 3, 1959 marked Rio Grande High School's first Commencement Ceremony held at the Civic Auditorium where 104 students graduated as Ravens.

The South Valley Leadership Corps is a group of Ernie Pyle and Rio Grande ROTC students that compete in Archery. They won the state championships and were given the opportunity to compete in Nationals.

Their challenge was to raise \$10,000.00 to help fund the travel expenses. They participated in fundraisers for months. We were able to help support their efforts to reach their goal. It was a wonderful experience for these youth, an experience they will never forget.

*** We have established the RGHS Alumni Fund with Rio Grande High School, which is to be used at the principal's discretion to support students in need. The RGHS Alumni Association works with the RGHS Administration to identify goal areas that will benefit our current RGHS students and their school community.*

A Message from RGHS Student Ravens

Coming soon... our very talented writers will be submitting articles for our newsletter.

The RGHS Newspaper, La Corriente, has a staff of 18 reenergized students this year. Half of them are returning students who are the acting editors for school year 2013-14. Nicole Alderete, the Editor in Chief, will oversee the entire newspaper. The yearbook teacher, Michael Garcia, and La Corriente teacher, Albert J. Martinez, have taken their staffs to Nationals the past few years. They have traveled to Denver, Portland, Phoenix and last year were in San Francisco. The national convention and workshops will be in San Diego this year. In previous years, the newspaper, La Corriente, has done very well. Mr. Martinez is very excited for this year's group; they are very focused and are ready to roll. Donations to La Corriente will help them with printing costs, please send a check to RGHS Alumni Association, Attention: La Corriente, P.O. Box 72644 Albuquerque, NM 87195-2644. "La Corriente" on the memo line.
